Report of the School Board

The School Board herein submits its annual report to the town.

Miss Gage having given good service was engaged to teach for another year.

Miss Gage graduated two pupils who entered the Nashua High School in September.

We have not expended much the past year for improvements on the school building as there was quite a sum expended the year before, and seeing the need of a new school building thought it best not to expend more on the old than necessary.

By the school laws of the state we ask for the following:

For tuition, \$250 00

For text books and supplies, 50 00

Respectfully submitted,

JOHN A. REID,

ISAAC N. CENTER,

LIZZIE D. SHEPHERD.

Library Report

The Trustees of the Public Library hereby submit their twenty-fifth annual report.

The Board of Trustees was organized at the beginning of the year by the choice of J. P. Newell as president and treasurer, Mrs. Mary J. S. Campbell as secretary, and Florence C. Center as librarian.

On account of the stirring times in which we live, the elderly people have not patronized the library quite as much as usual, but the younger folks, more than ever, are taking out and reading well chosen books.

During the year a sub-library has been maintained at the northerly part of the town, much to the accommodation of the people residing there. Mrs. Ernest Blodgett has kindly cared for this branch. By a recent vote of the trustees, books from the library can be kept out for two weeks only.

Our public library is growing larger from year to year, by the purchase and donation of books and magazines, and the time will soon come when a larger room will be required for its accommodation,—would that some public spirited person, interested in the welfare of Litchfield, might find it in his heart to erect and donate to the town a building ample for the accommodation of its free public library.

The term of office, as trustees, of John P. Newell and Maud A. Baker, expires the current year.

Respectfully submitted,

J. P. NEWELL,

For the Trustees.
